At 2305 on 8 August, 12 M-13 rocket launchers, 28 trucks including approximately 180 soldiers wearing red-bordered black epaulets with artillery insignia were entrained at the Dallgow-Doeberitz railroad station and left for Luckenwalde  At 0021 on 13 August, a troop train of 14 converted boxcars and 35 flatcars arrived at the Dallgow railroad station from Forst Zinna. A Dallgow railroadman stated that the rocket launchers had returned during this night.  At about 1335 on 8 August, 8 x 37-mm and 6 x85-mm AA guns, 16 trucks, 4 armored personnel carriers, and 9 boxcarloads of troops were unloaded at the Neuruppin railroad station. Subsequently, the vehicles were seen in the town en route toward Friedrich-Franz Kaserne (2201). In the evening, the quarters of the AAA unit in the installation were 95 percent lighted.  Comment. Elements of the 41st RL Bn of the 1st Necz Div. from Doeberitz were transferred to the Jueterbog training grounds for firing practices.  The different number of rocket launchers reported by the two sources is presumably due to the fact that one source confused trucks with rocket launchers, since the total number of vehicles entrained roughly	25X1
